WE OUGHT TO TAKE MORE TIME TO LIVE

More time to really see  
The glory and the wonders of this earth;

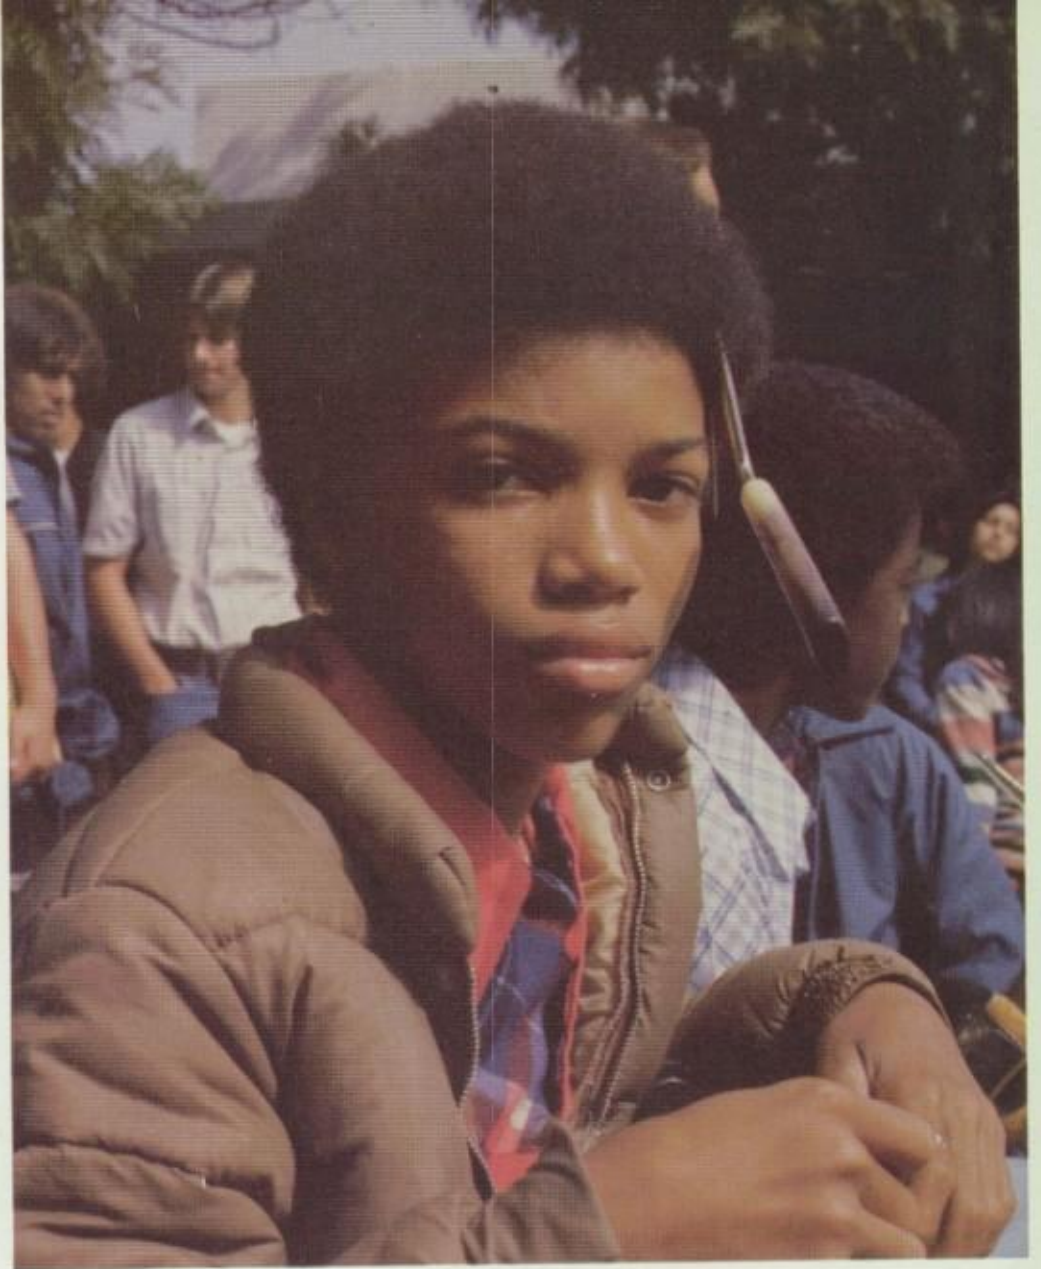

The quiet, gentle beauty,

The sheer nobility  
revealed alone to those who  
prize its worth.

We ought to take  
more time to care —

To really, truly care,

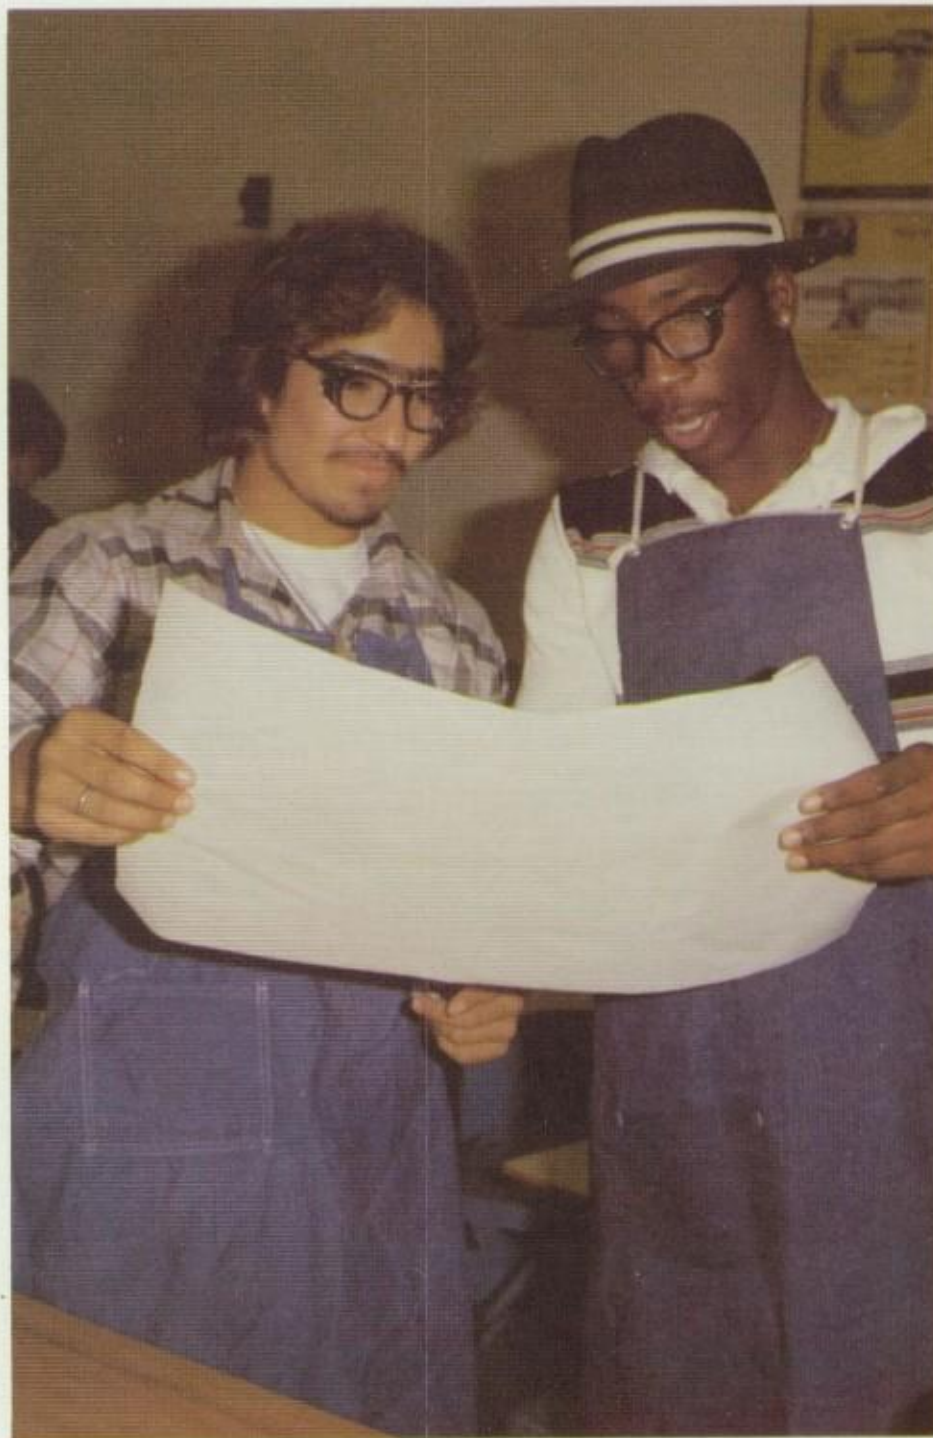

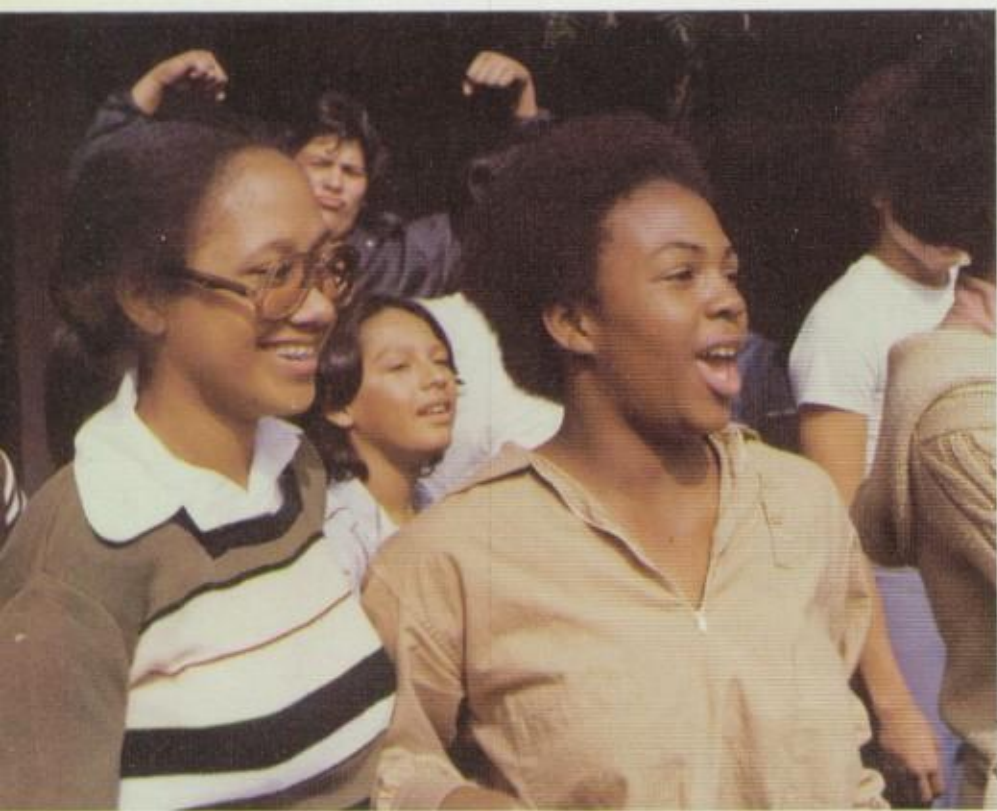

Enough to fling our  
heart's door open wide;

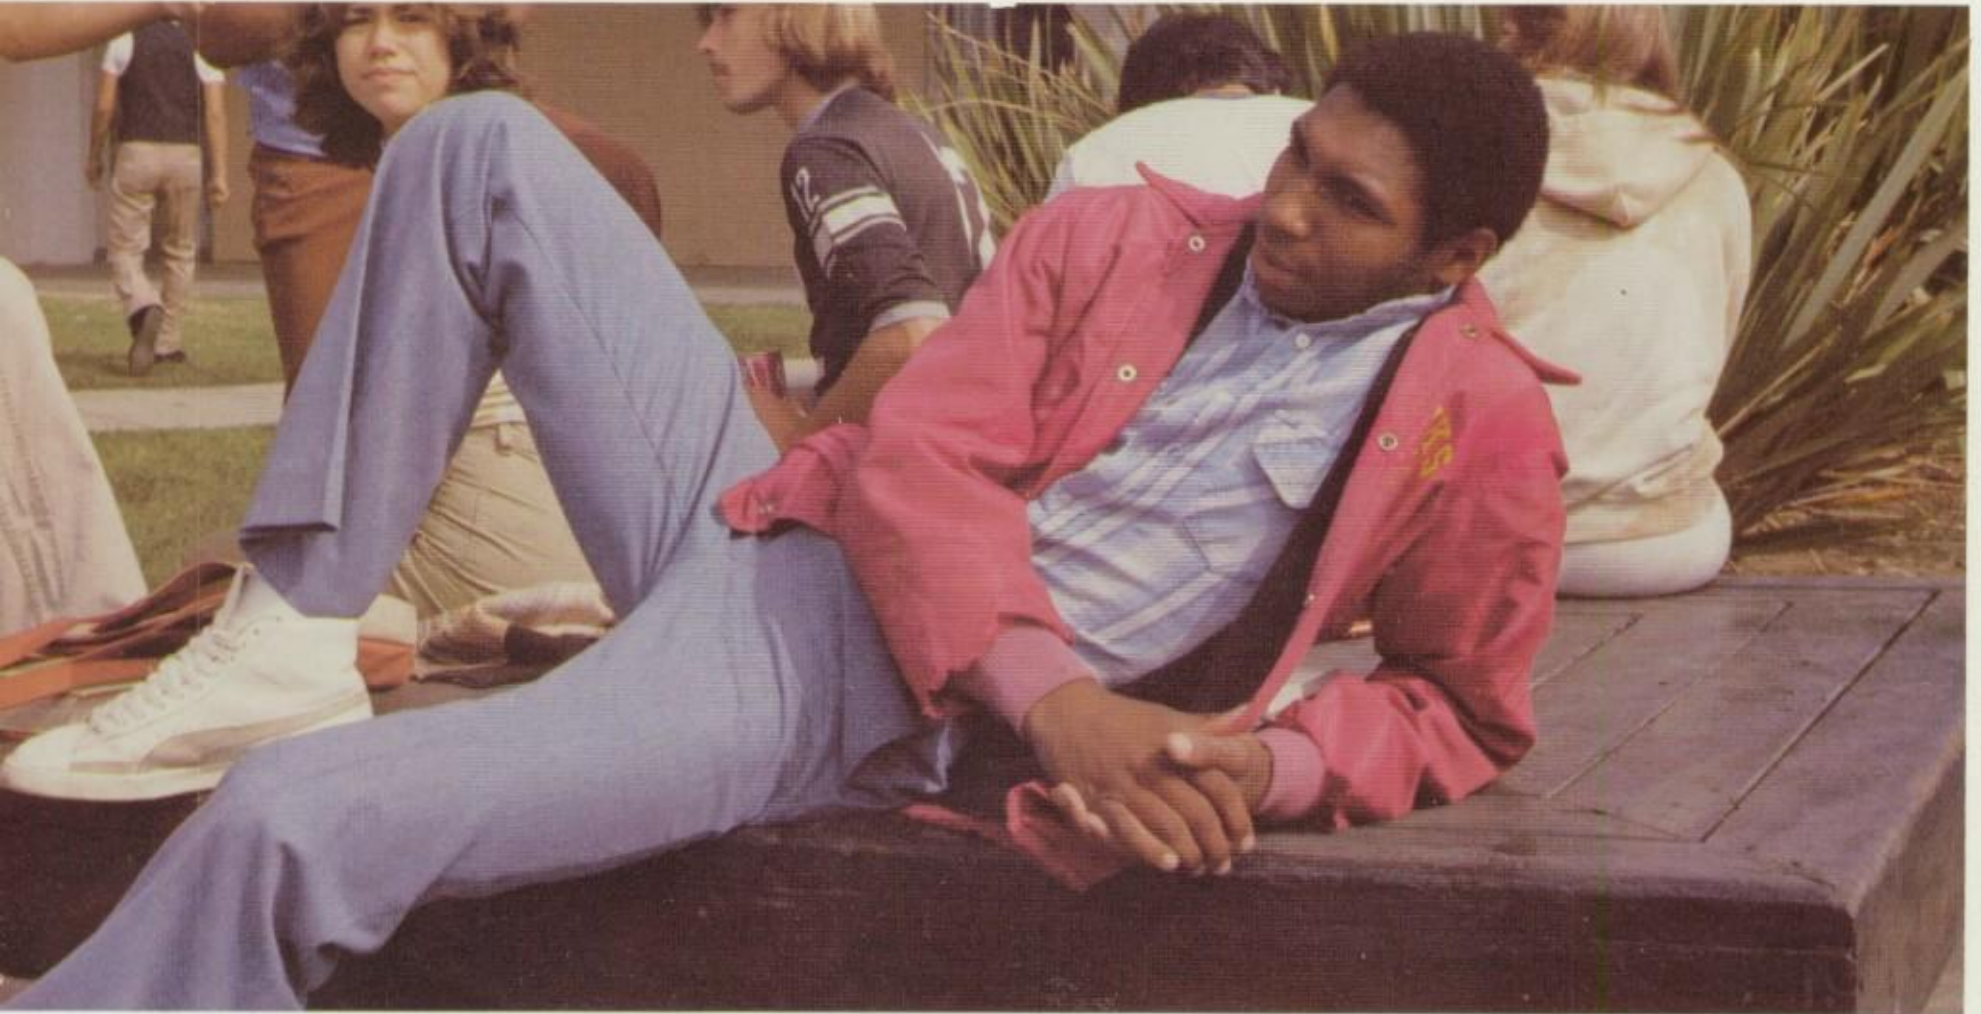

To lend a helping hand  
and share

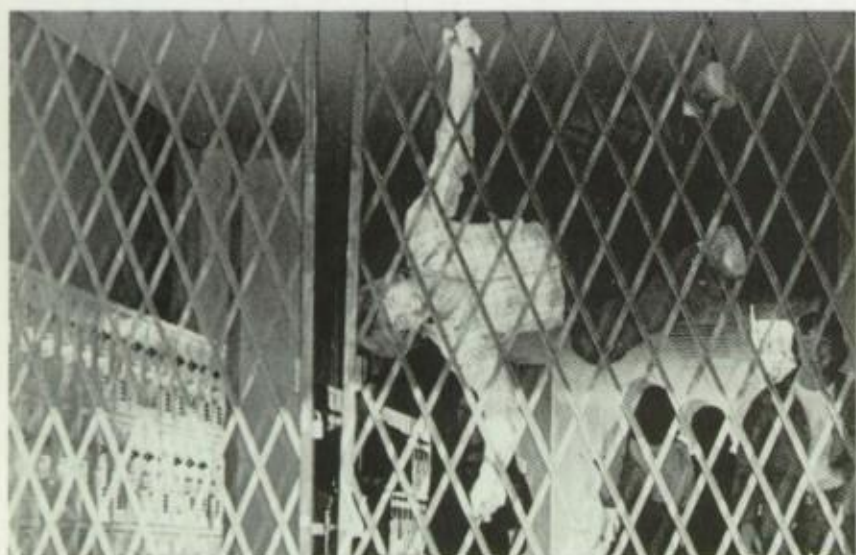

The burdens others bear,

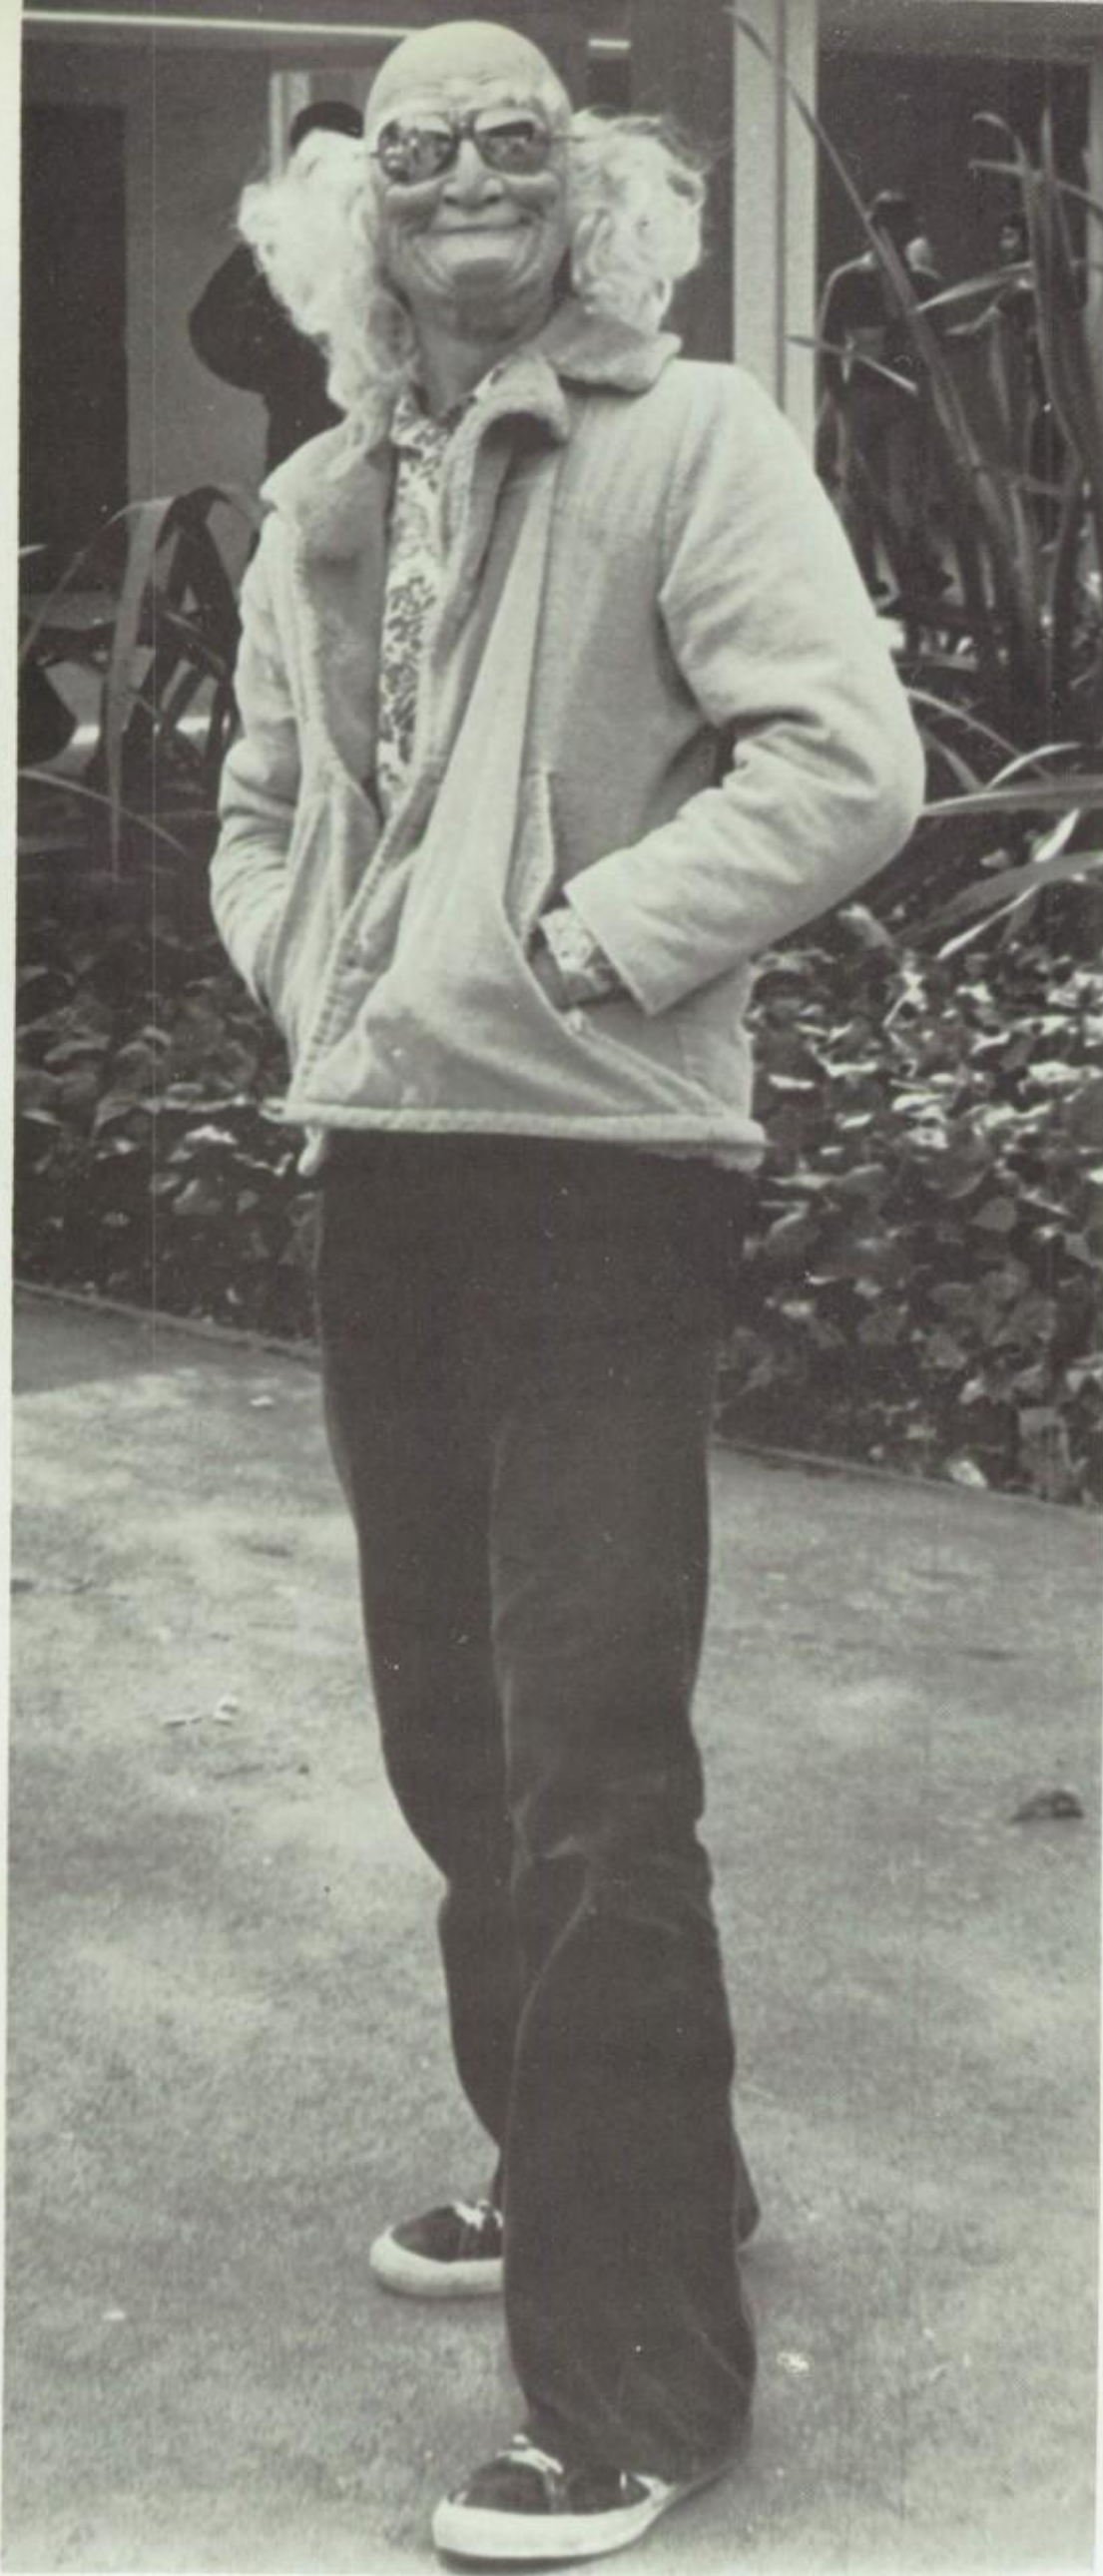

And take the poor  
and comfortless  
inside.

We ought to take more  
time to live —

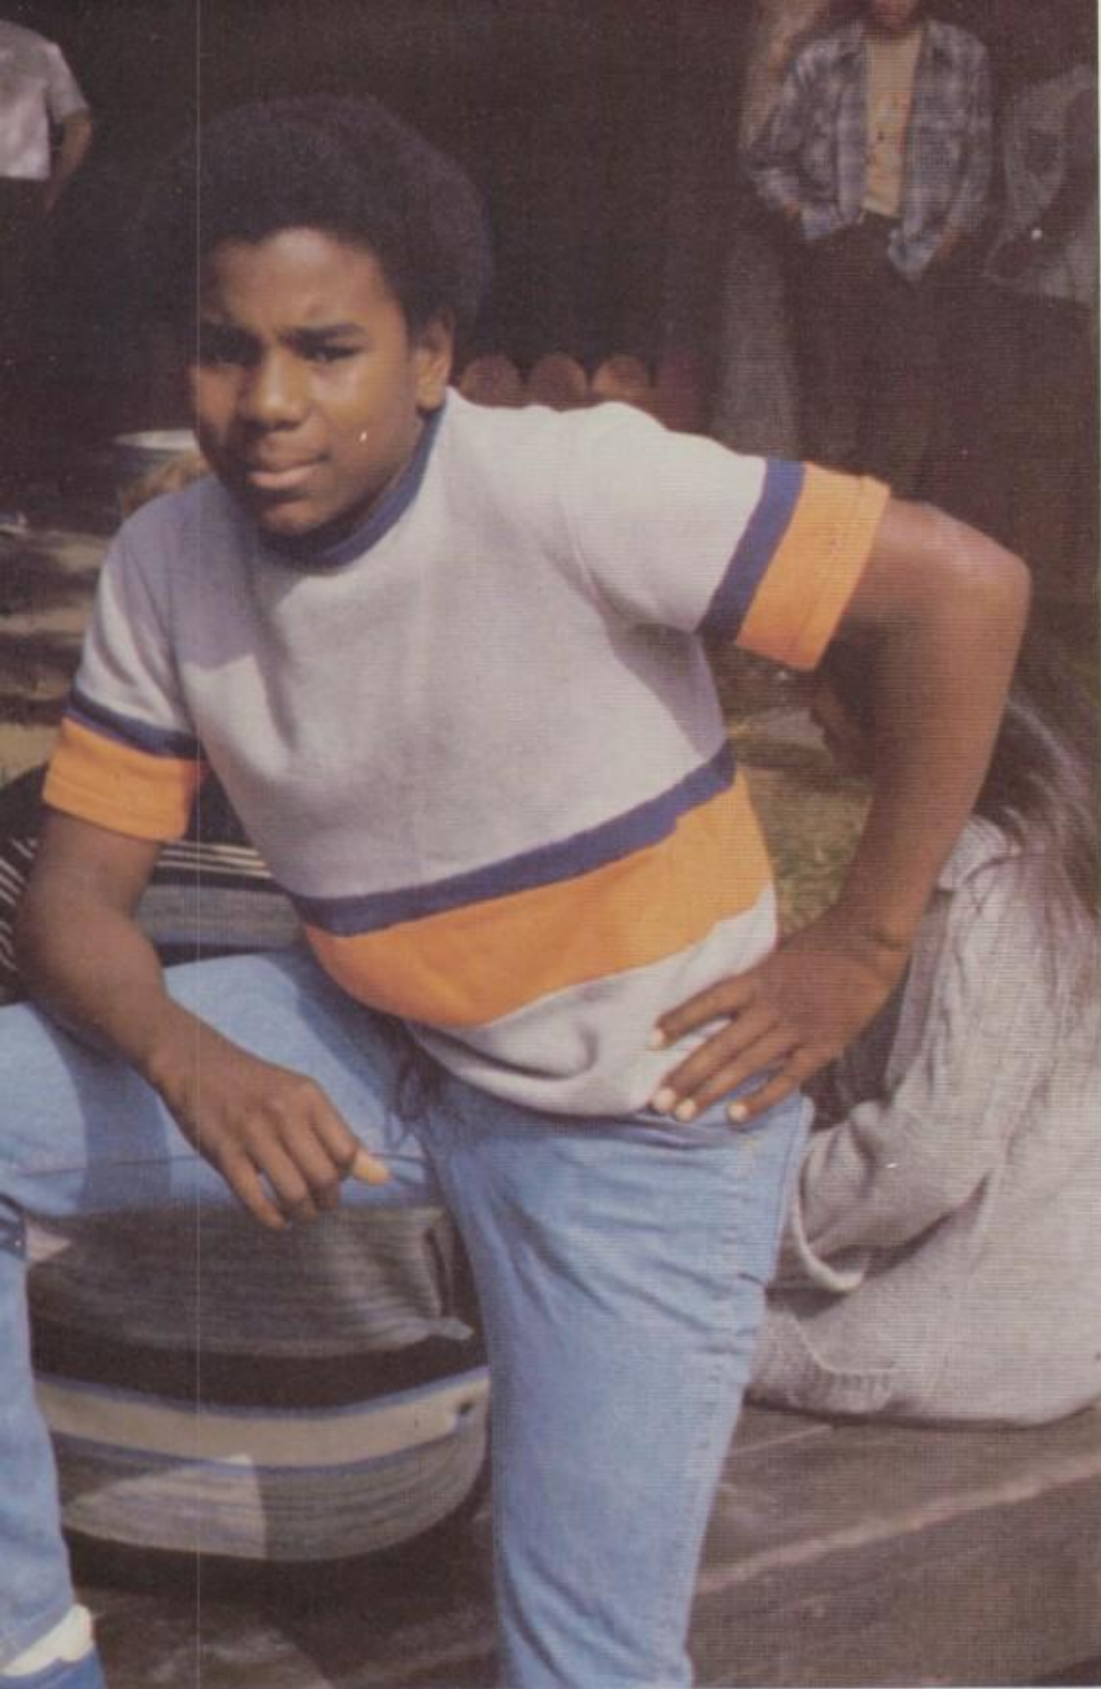

To wholly, truly live,

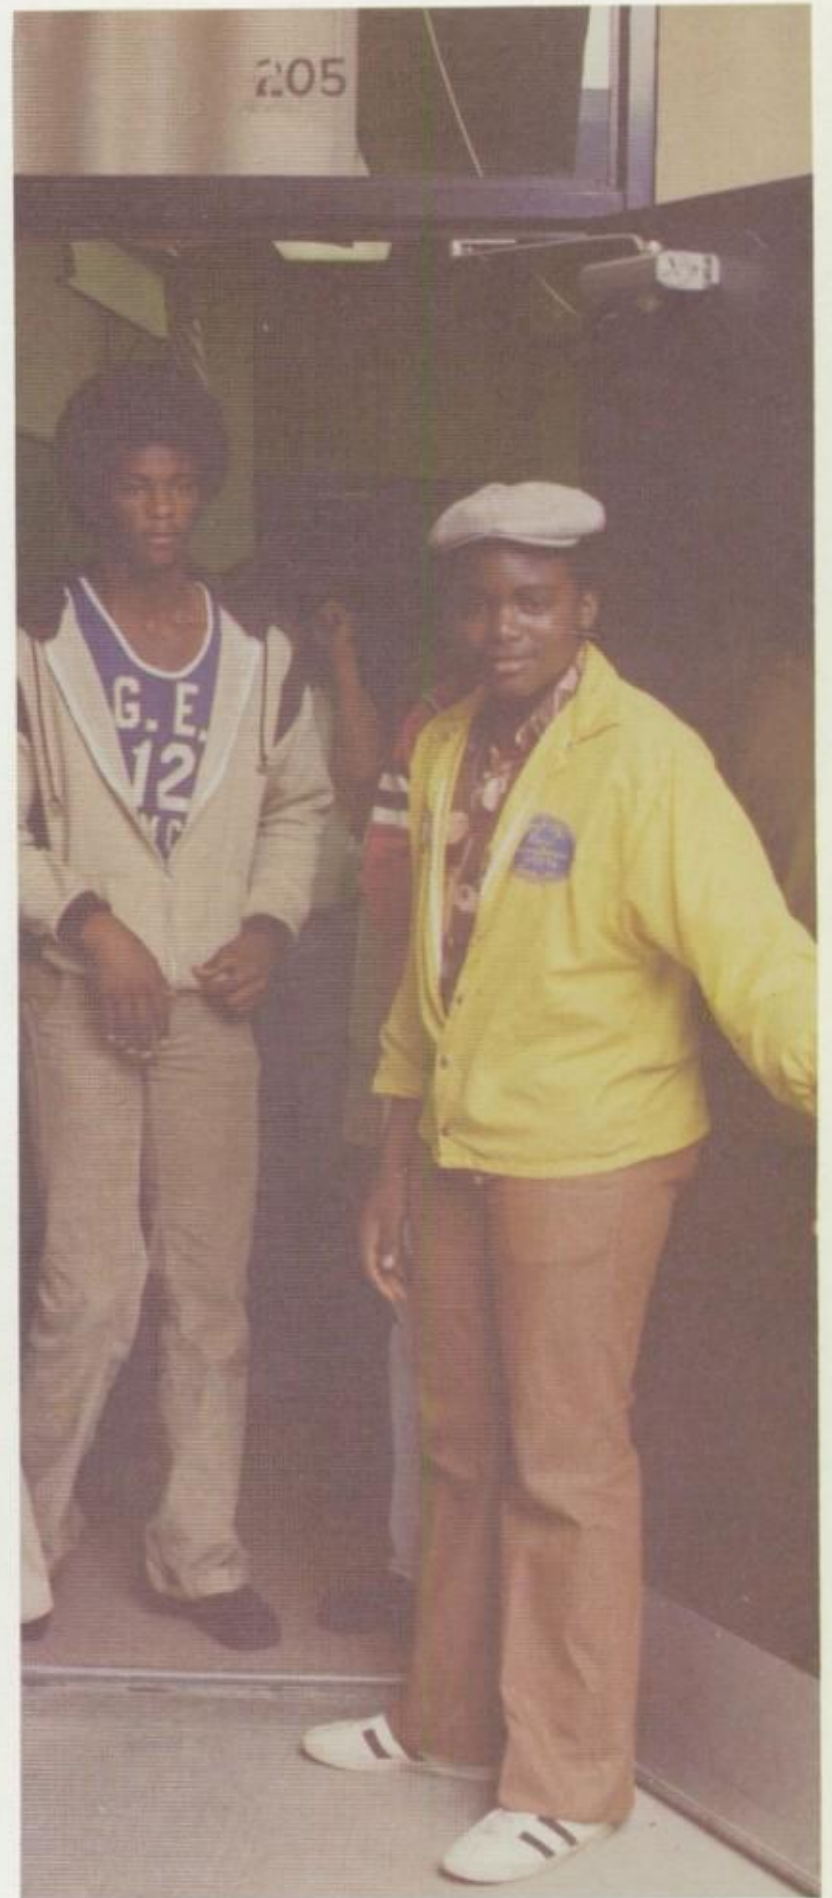

More time to feel and care,  
more time to see;

To fully realize the endless  
joys  
that life can give

To laugh — and love —  
and live abundantly

“I HATE TO TELL YOU THIS, BUT . . .”

**Dedicated to: Mrs. Evelyn Bautista**

Mrs. Bautista was born in Gilroy, California. She attended Gilroy schools as a young girl. She graduated from Gilroy Union High School — where she was very active in student government.

She went to San Jose State University where she graduated with a B.A. in Marketing. She then worked for the Emporium as a Buyer. She also has her Masters Degree in Business Education.

Mrs. Bautista was married in 1955, and she and her husband have one son who is 19 years old and presently attending U.C. Davis.

She is on the Planning Commission for the City of Morgan Hill, and has also ran for the City Council. She loves to ski and is an avid skier.

She has helped the yearbook for the last 5 years. She has been a tremendous help to a majority of her students in the placing of students in suitable job positions.

Mrs. Bautista has been a very dedicated teacher at Mt. Pleasant High School for 11½ years. We would like to thank Mrs. Evelyn Bautista for her great dedication and concern for Mt. Pleasant High School and its students.

# Friendship

Friendship's a gift, priceless and rare,  
So gentle, so tender, and true,  
Strong as a bond holding earth to the sun  
Yet light as the thistledown, too!

Holding, enfolding, in thoughtful embrace,  
Yet leaving one free as the air;  
Asking no thing in return for its gift . . .  
When needed, it always is there.

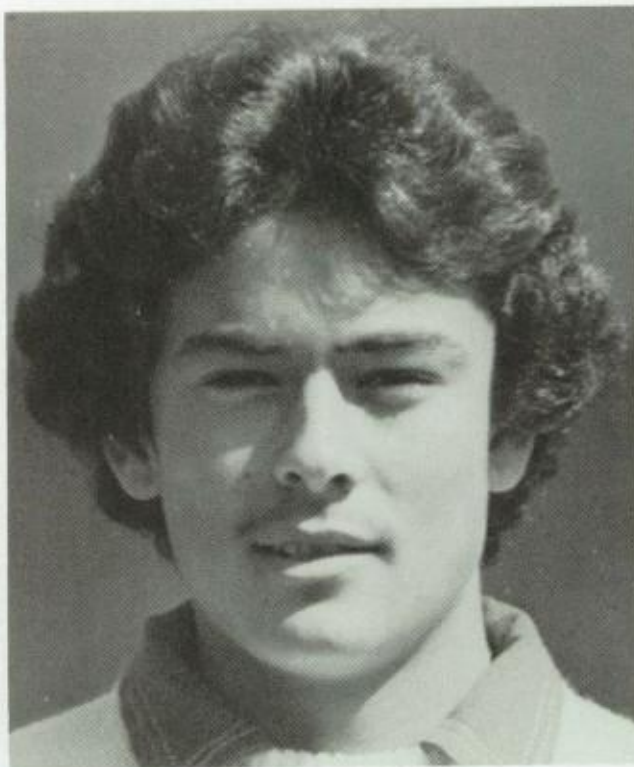

Time neither changes nor alters its glow,  
It brightens a long weary road.  
Knowing a friend is there by your side  
Can lighten the heaviest load.

And as the sun peaks past the dark clouds,  
When sorrow and grief are at end,  
Joys that there are, are sweeter by far  
If shared by a dear thoughtful friend.

## Songgirls

This year has been a memorable year for all of us. We have learned to put aside our differences and work together.

We did a remarkable thing this year and amazed ourselves. We made and perfected a routine in six days and took second place at camp with it.

Although there were times we could have killed one another we still held a special friendship that kept us together.

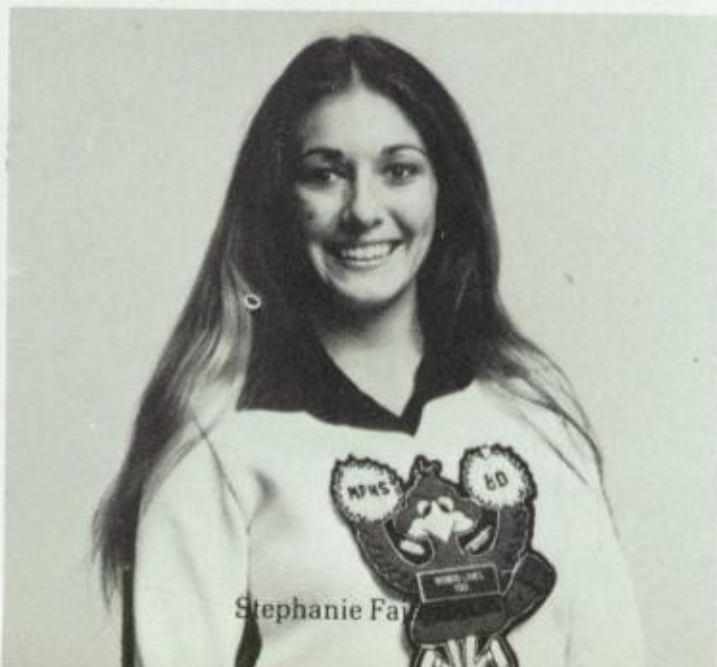

Despite all the hassles we had, we still had a great year. I would like to wish all the songgirls much happiness and success. Thank you.

# Lettergirls

**SPIRIT** is defined as enthusiastic loyalty and this year's Lettergirls had plenty of it. We yelled and screamed our way through the whole year. The first year Lettergirls did a great job with help from the returning: Connie Frayseth, Denise McCabe, Soranda Scott, and Barbara Vazquez.

During the summer Melanie, Cindy, Terri, Kathleen, and Dana went to camp and brought back excellent and superior ribbons, a spirit stick, lots of cheers, and loads of spirit.

Being a spirit leader is sometimes tough, but when we get the satisfaction of bringing spirit to games and rallies, it's more than worth the time and effort.

I want to thank Mrs. Lillo for everything and I want to wish every Lettergirl the best of luck in the future. Take care of yourselves, be good, and Go For It!

# Varsity Cheerleaders

We would like to thank the 1978-79 Varsity Cheerleaders Rhonda Baily, Lorraine Beltran, and Leigh Ferguson for making our last year of cheerleading a very memorable experience. We are all very proud of our first place superior trophy, and all of the spirit awards we brought home from camp this year. We would also like to thank all of the other spirit leaders and especially our advisor, Mrs. Lillo.

# J.V. Cheerleaders

This year has been a very fulfilling year for the Junior Varsity Cheerleaders. We have had to work hard, and especially work together.

We would like to give a special thanks to the Varsity Cheerleading squad, who have been a great help to us in getting prepared for the job for which we were elected.

Now as the year comes to an end we will always remember the fun we have had while leading such wonderful crowds, and cheering our teams through another great year.

# Yearbook

EFFORT, organization, patience, skillful workers, and togetherness is what makes up a yearbook staff. Luckily, our staff had these needed qualities to work with.

It's difficult to please and fill the needs of the entire school, but we tried our hardest to somehow accomplish a good book for the students and faculty of Mt. Pleasant High School.

Our thanks goes to everyone who helped us make it through this year, especially to Mrs. Bautista's Retailing class for doing such a great job selling yearbook ads, and to our photographers and Mr. Johnson for putting up with us and obeying our every command.

A special thanks goes to the PEOPLE who appear in our yearbook. You made it what it is — Great!!

# Foreign Exchange

School here is much different from what I am accustomed to. In Mexico, schools are not as big. The methods used for running a class are different too. Here, one must move to a different classroom for each subject. In Mexico, the students stay in the same room for all their classes, except the technical subjects.

In the first eleven grades everyone has the same subjects. However, in the final year of high school one may choose the classes that will help the most in college. Here the curriculum is more modern and fairly good.

In Mexico, some of the classes allow the students to discuss the subject and the teacher listens. They have sports only in the first nine grades.

I think the students are well prepared when they leave this school because they can choose their own classes and never have to worry about classes they do not like.

# Retailing

Retailing has greatly helped out with the yearbook by selling \$2,500 worth of yearbook ads. Landon Nishimura and Troy Treece outdid everyone by selling the most ads.

We couldn't have made this yearbook without the help of the Retailing class and Mrs. Bautista, so we'd like to thank them for their continuous support.

# True Measure

How long we live is not for us to say;  
We may have years ahead — or but a day.

    The length of life is not of our control,  
But length is not the measure of the soul —  
Not length, but width and depth define the span  
By which the world takes measure of a man.  
It matters not how long before we sleep,  
But only how wide is our life — how deep.

# Varsity Football

The 1978 Cardinal Varsity Football Team was one dedicated to hard work, determination, and a desire to be great. This attitude was characterized by the entire 45-man roster. The Cards finished the season by tying the best-ever varsity football record with seven wins and three losses.

Many outstanding individuals contributed to the success of the team. Five Cardinal players were honored by the Mount Hamilton League coaches by being selected to the first string All-League Team. Three players achieved offensive honors and two on defense. The offensive All-Leaguers were guard Erick Bigelow, wide receiver Eric McPherson, and running back Steve Campbell. The defensive All-League players were back Calvin Allen and end Dwayne Campbell.

The All-League players were supported by a host of talented Cardinals including five stalwarts recognized by as honorable mention All-League selections, Doug Wilson, Eddie De Leon, John Halley, Ray Jones, and Wes Maxwell.

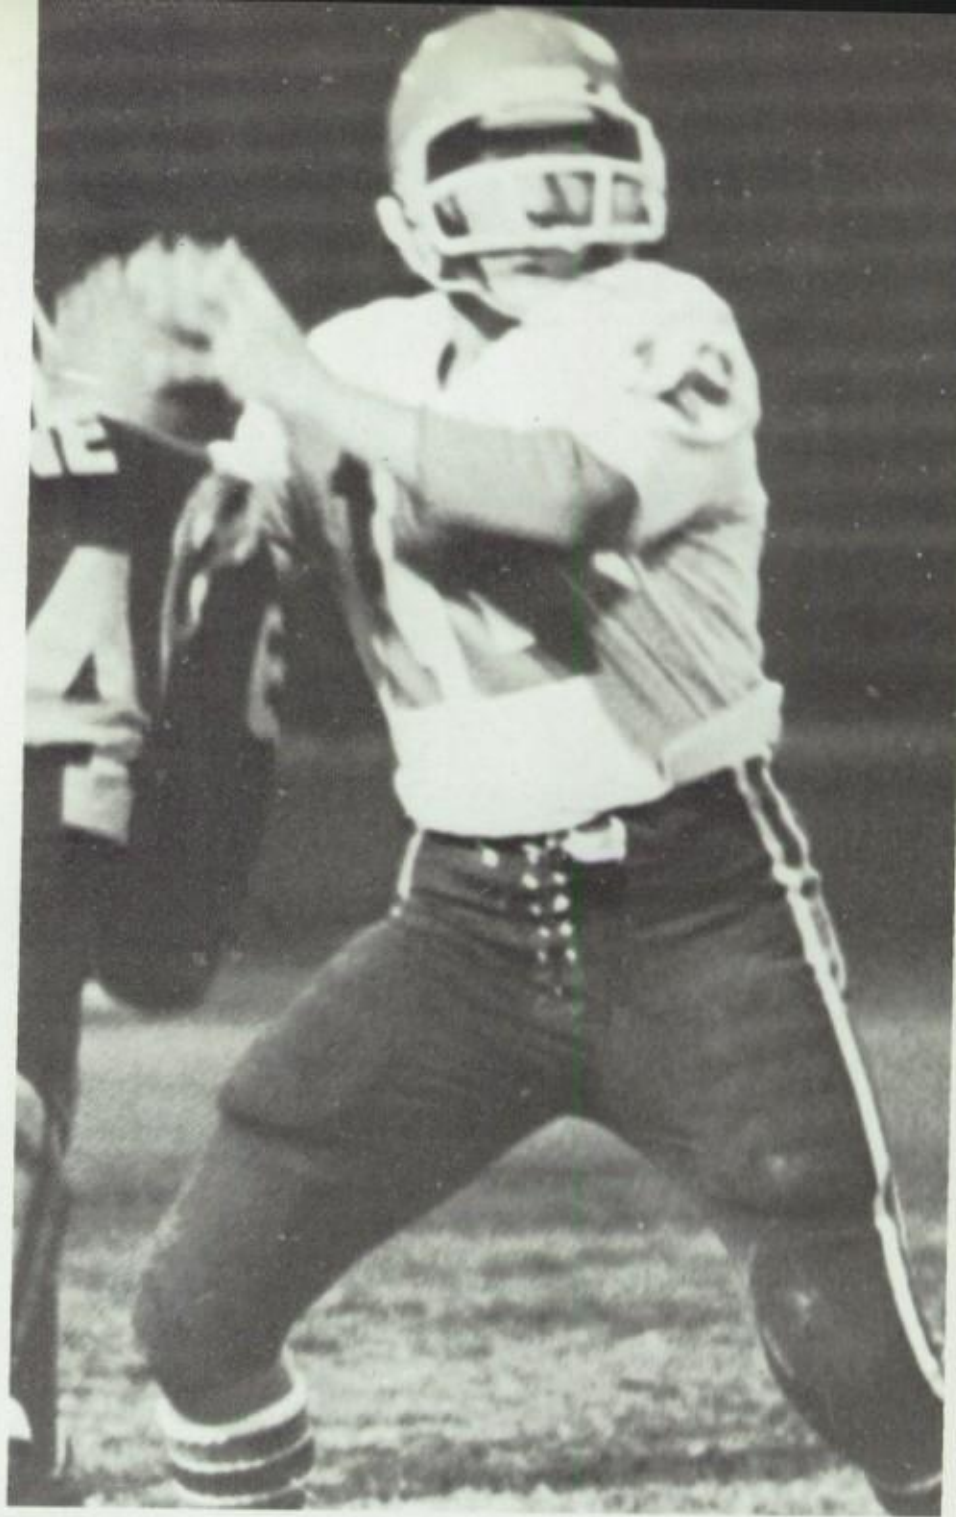

The Cards started the season in a very impressive fashion by winning the first five games. During this span, the Redbirds beat Milpitas, rated second in the Central Coast Section. At the season's halfway point, the Mt. Pleasant Cardinals were rated eighth in the Central Coast which is composed of 130 schools.

After three losses to very formidable league opponents, the team regrouped for two season-ending victories.

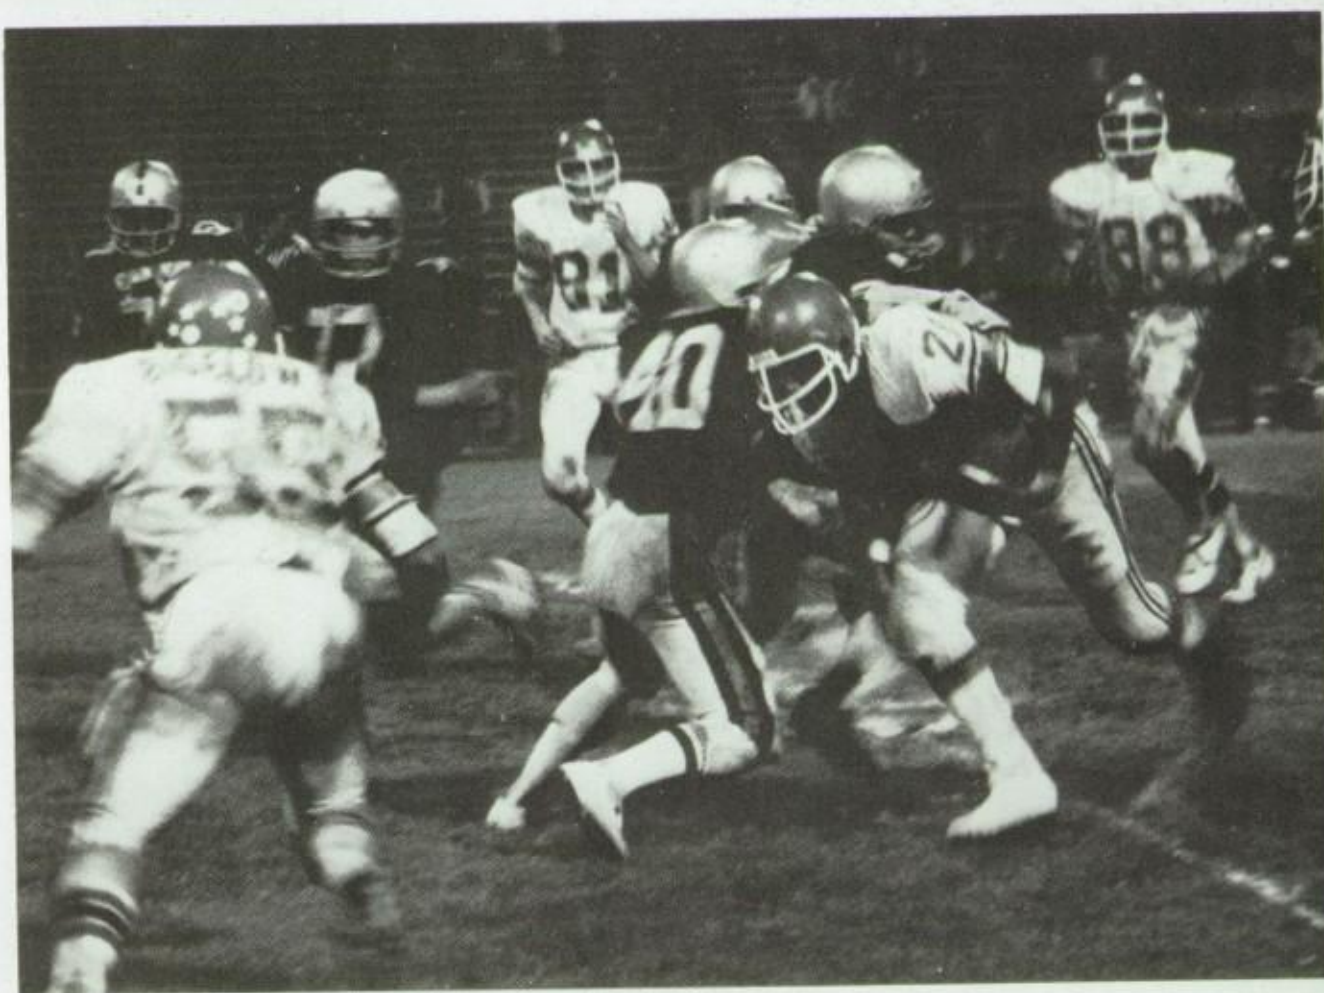

The future looks great with many returning lettermen along with a talented group of frosh-soph players who will be counted on to establish the winning tradition at Mt. Pleasant.

This year's team can feel proud of the effort and hard work that characterized the 1978 Cardinal football squad. It was the type of team that the student body, alumni, faculty, and entire Mt. Pleasant community can look to with pride.

THIS was a transition year for the lower level football teams in the MHAL as the J.V. and Freshman football teams were combined into the 1978 season, with a relatively young team comprised mainly of freshmen. The 1978 frosh-soph football team ended the season with a 6-3 record. The athletes worked very hard to improve their skills in preparation for their years as Varsity Players.

The highlights of the 1978 season was handing Milpitas its only loss of the season, a 28-0 victory. In all, the team had three shut-out victories, lost 2 games by a mere 2 points, and dropped 3 games by a single touchdown as the frosh-soph developed into a staunch, relentless defensive unit. Only injuries throughout the season kept the team from becoming a potent, explosive unit. With a little luck and hard work, the Mt. Pleasant football program seems well in hand with these fine young athletes who made up the 1978 MT. PLEASANT CARDINAL FROSH-SOPH FOOTBALL TEAM.

# Girls' Volleyball

The VARSITY volleyball team had their best season ever. They finished with a 7-8 season plowing fourth in the division.

There were eleven players on the team and eight of them should be returning next year.

The J.V. volleyball team had a very learning season this year, with no returning volleyball players we were lacking experience and maturity which was gained through this season and will help us next year. The girls really started putting it together at the end of the season and I was pleased with their dedication and desire. Team members this year were: Sr. Anita Echols, Jr. Colleen Nolan, Soph. Lisa Cavali, Stacie Wilson, Fresh. Desiree Jiminez, Cindy Roach, Susan Albin, Lupe Guerrero.

# Varsity

This year was a disappointing one for the Cardinal Cross Country Team. What was considered to be one of the top teams in the section never materialized, as four runners did not participate this year. The season was a huge success for Junior Felix Soto, as he became the second runner in Mt. Pleasant's history to claim the individual championship in this year's Central Coast Section meet. Senior Mark Torres had an outstanding year finishing in the Top 13 at the Region III Meet. Other fine performers were Ken Okumura, Val Garcia, Ernie Garcia, Eugene Sanchez, and Brian Mendez. The Girls had 3 runners this year, and it marked Denise Gonzales' second year on the team. Freshman Pat Nieves and Denise both posted the same time this year, and it was a new school record. The third member, Cheryl Hillis, had her season cut short by an appendicitis attack.

Jose Soto advanced all the way to the Region III meet, and along with Anthony James were leading medal winners at invitationals. Gino Garcia, Don Taylor, Emanuel Quaresma, Ray Bower and David Chan rounded out the top six runners.

The JV's were led by a host of fine young men this season including Tommy Portillo, Danny Barrios, Broderick Crayes, Shawn McGinnis, Tim Bleigh and Richard Caloca.

Tally Ho, let's go.

# Water Polo

This year the Varsity Water Polo Team had another fine season. They finished the season as one of the top ten teams in the Central Coast Section. In addition, they captured first place in the Live Oak Water Polo Tournament.

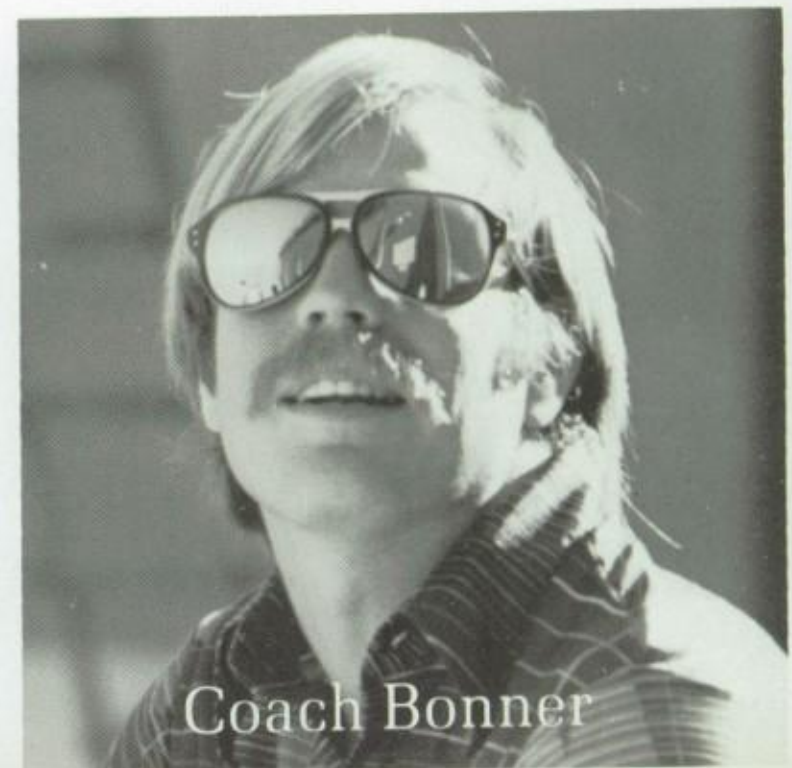

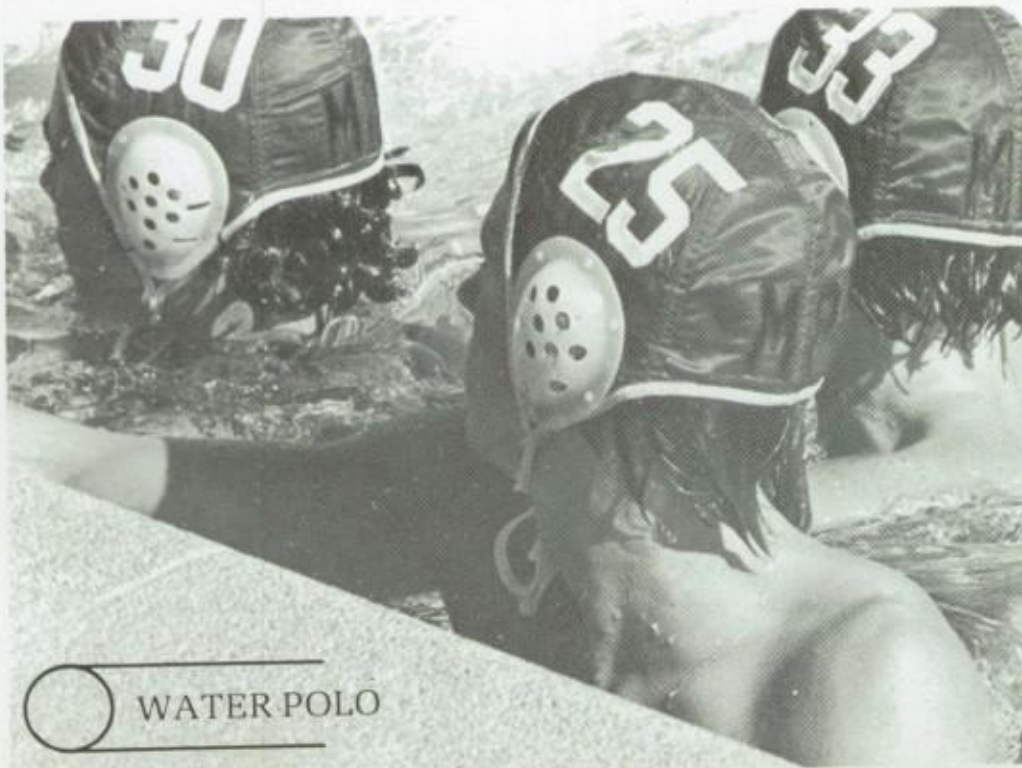

The team was led by All-American goalie, Kirk Shaffer and Noel Villanueva. Both players not only made first team All-League, but were also selected to the All-Tournament Central Coast Team. Other outstanding players were Tom Swanson (second team All-League), Dave Delgado (honorable mention All-League), Tony Barreras, Scott Munro, and Jeff Smith.

Players expected to help the varsity next year are Simon Garcia, Chris Fry, Mike McCormick, John Schriever, and the outstanding freshmen and sophomores that helped the team the entire season.

1978-79 was the year Mt. Pleasant emerged as one of the top basketball powers in the Central Coast Section. The Cardinals won the MHAL Championship with a 9-1 record in the South Division and a convincing 59-49 victory in the North-South Division Play-off over Samuel Ayer. Highlights of the Cardinal basketball program again in "78-79" were aggressive team defense and an over-all team concept which emphasized 10 players working hard for the common goal: The MHAL Championship.

Pacing the Cardinals were all-MHAL players Craig LeSuer and Marichal Gilbert. Both players averaged sixteen points per game, while Craig was also the Card's top defensive star and Marichal led the team in rebounding.

Greg Marshall and Greg Loyd were stand-outs who contributed steady play throughout the year. Rich Amoris was the Card's stabilizer, who came in the ball games in key situations to run the offense.

Perhaps the key variable in the Card's success in "78-79" was the emergence of first-year post men Ray Jones and Warren Shephard as rugged big men. Both players were instrumental in the championship pursuit, and Warren at 6'6" promises to be the dominant man in the M.H.A.L. in "79-80".

Rounding out the Card's roster were junior guards John Walker and Chris Leggett, and 6'3" sophomore Vaughin Raines. All will return next year, as will Marichal, Warren, Greg Loyd and Greg Marshall. 1978-1979 was a banner for Cardinal basketball; the future looks even brighter.

Coach Jamison

**TOP ROW:** J. Daysog, H. Fanqoil, R. Mayfield, K. Williams, D. Hall, D. Chan, F. Reyes. **BOTTOM ROW:** J. Shriever, J. Valenti, V. McGowan, D. Smith, D. Turpin.

The Mt. Pleasant basketball program is based on an aggressive style of defensive basketball. An intensified man to man defense is the foundation of the program. The Frosh-Soph team exemplified this tradition by limiting opponents to fifty or less points on seventeen occasions.

Captain Henry Fangonilo (Frosh-Soph MVP), Joel Daysog, Fred Reyes, and David Chan exhibited leadership and poise at the guard position. Kenneth Williams (Intensity Award Winner), Verr McGowan, Jerry Valenti, Andre Singleton, and John Schriever handled the rebounding chores at the forward and center positions. With six returning players for next season the basketball program at Mt. Pleasant looks to have an extremely bright future.

**TOP ROW:** Becky Price, Diana Lewis, Laura Hall, Christina Kester, Coach Kinnard. **BOTTOM ROW:** Sandy Arredondo, Lori Mack, Debbie Fox, Marcia McBride.

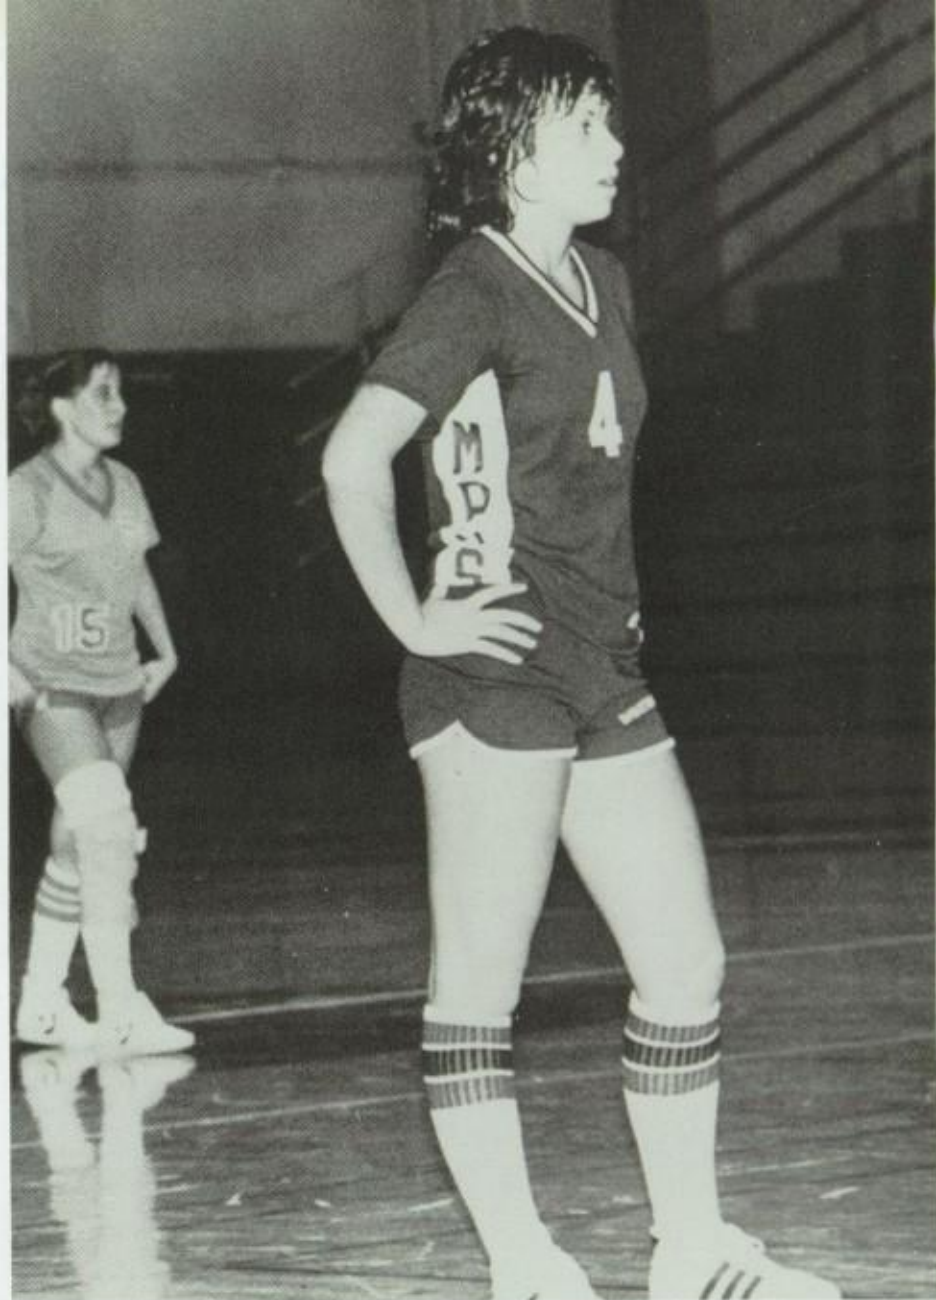

The Girls' Basketball Team played 23 games this season. The Cards entered two tournaments and brought home the Consolation Trophy for the Independence Tournament. Santa Teresa led the league, followed by Silver Creek and Mt. Pleasant.

Starting at the guard positions were Sandy Arrendondo, the number 1 playmaker, and Lori Mack. Debbie Fox, Marcia McBride and Becky Price played significant roles for the Cards as they played both the guard and forward positions. Diana Lewis contributed under the boards as a forward.

Playing her final year for the Cards, Laura Hall did a fine job at the post position. Laura intimidated many opposing centers with her fine defensive skill. She and Junior, Christina Hester, led the team in rebounds and total points. Christina broke the school record for the most points scored in a single game by scoring 27 points against Overfelt and 27 points against Yerba Buena. Chris, an All-League selection last year, is a definite shoe-in this year.

The Cards broke another school record this season by playing the most number of games in a single season — 23.

Coach Kinnard began coaching basketball at Mt. Pleasant in 1971. At that time, her team played a total of 4 games!! We've come a long ways!!

# J.V. Basketball

The girls' J.V. Basketball team had a very successful and exciting year. The season was highlighted by several come-from-behind victories in the final seconds of a game.

The offensive lead was carried largely by three players. Chindi Deal led the group with an 8 point scoring average, while Cindy Roach and Michelle Fisher averaged 6 and 5 points, respectively.

At the defensive end of the court all 8 girls played excellent basketball. Only twice was an opposing team able to score more than 30 points against Mt. Pleasant's tough defense. When a shot did go up you could count on Jolene Holbert to get the rebound. Jolene averaged over 9 rebounds a game in league play. There were many times when the opposing team didn't get a shot. The best reason for that was Chindi Deal's defensive play. She averaged 5 steals per game and was aided in her defensive efforts by hustling and aggressive play from Julie Hautman, Elnora Barries, Regina Turner, and Roberta Vasquez.

Overall it was a super year for girls' J.V. Basketball at Mt. Pleasant High School. All those who participated have reason to be satisfied and proud.

# Varsity Wrestling

The 1978-79 matmen were led by three outstanding individuals, Erick Bigelow, David Eggert and Ralph Vitales. Although the team did not experience a winning season, outstanding efforts were also turned in by David Kirkpatrick, Sal Garcia, Larry Marquez and Joey Viramontez.

# Frosh-Soph Wrestling

This year's 1978-79 Frosh-Soph Wrestling Team exhibited an abundance of talent and dedication. In dual meet competition the team record was 3-5-1. These statistics do not indicate the potency of the wrestling team as Mt. Pleasant was forced to forfeit three weight classes each match due to the lack of athletes in appropriate areas of competition.

Individually the strength of Cardinal wrestlers was very evident as they combined for a total of nineteen medals, including six gold, in three tournaments. Outstanding wrestlers on this year's team were sophomores Barry Livingston 156 lbs., Greg Martinez 177 lbs., and Roger Schotsal 105 lbs. Outstanding freshmen were Scott Barone 105 lbs. and Phil Swain 147 lbs.

# Varsity Soccer

This year's varsity soccer team picked up where last year's team left off. We, at the time of this, are undefeated and are again heavily favored to win another southern division title as we did last year.

Our team captains, Ben Law and Tony Soto, have done a great job of bringing in new inexperienced players and helping them become initiated into varsity level competition. These two men have proved themselves to be fine leaders both on and off the field.

Randy Changco is having another good year as goal tender. His remarkable acrobatics and fine saves have made him the talk of the league.

Newcomers Jose Soto, Derek Sanderson and Manuel Queresma have done outstanding jobs this year.

Ruben Mendoza, Louis Garcia and Jose Garcia have also kept a constant pressure on opposing goal keepers.

Our defense is led by Tony Soto, and backed by Brian Isaac, Emillio Garcia, Randy Douglas, Ricky Fisher, and Manuel Quesesma. Robbie Branch deserves special mention for his great improvement this year. Upcoming players to watch are Marty Arellano, George DeSousa, John Dickerson, Mike Fisher, Fernado Flores, Ernie Garcia and Benito Mendoza.

# Swimming

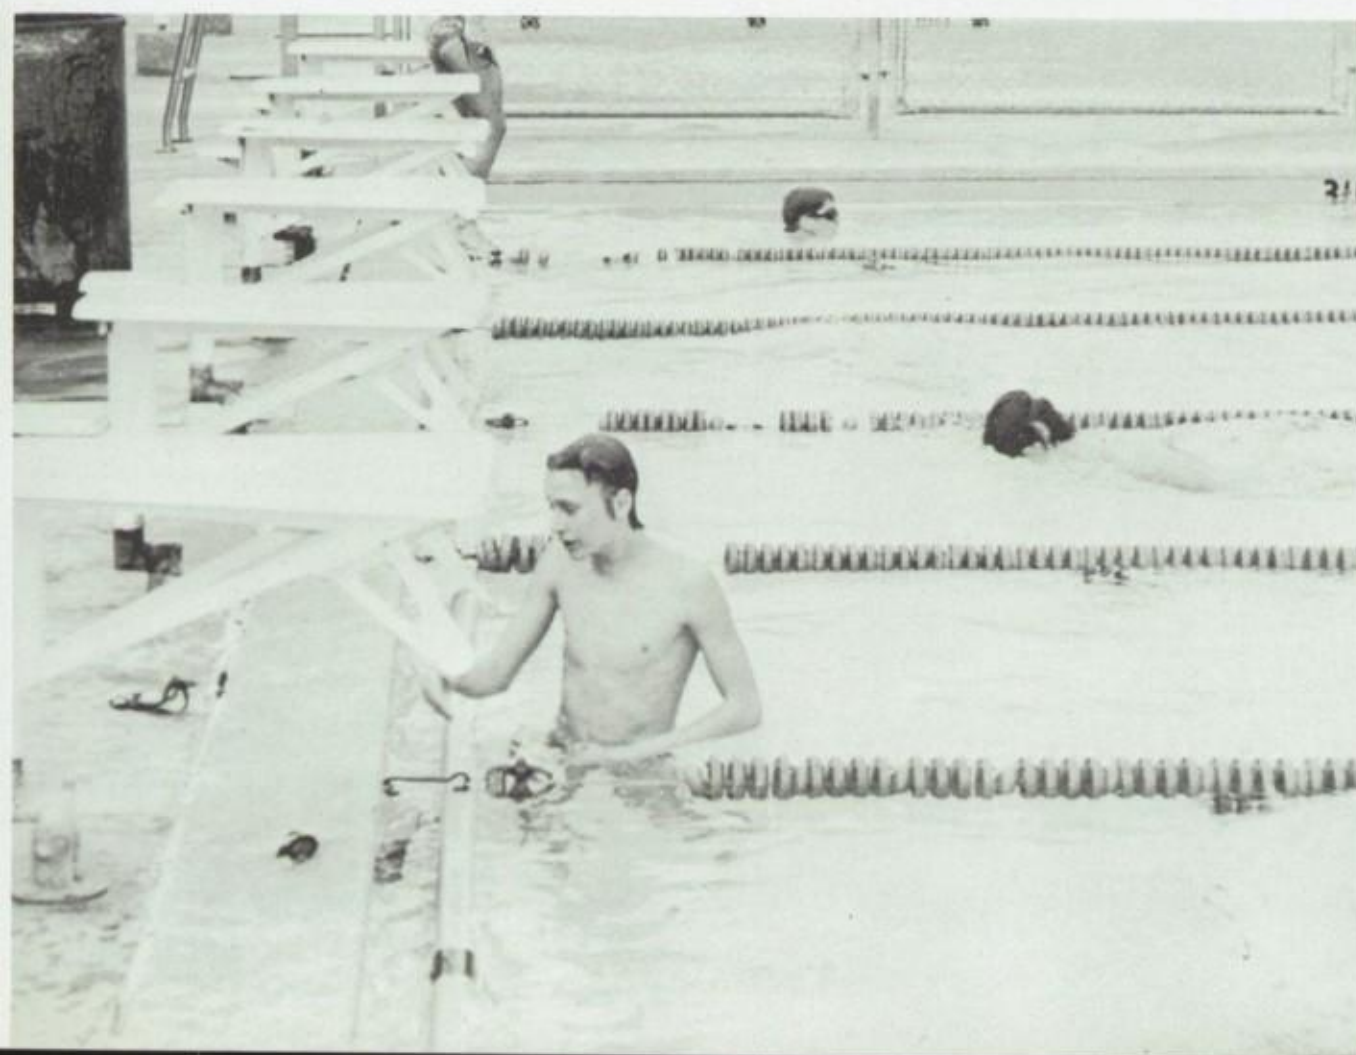

The Varsity Swim Team is just getting under way, but it looks as if we will have a good season. Some of our leading swimmers are: Freshman — Mitch Loyd, Sophomore — Bobby Nichols, Juniors — Tony Barreras and Scott Munroe, and The One and Only Senior — Mike O'conner. This young team shows much promise for the future.

## Girls Swimming

The girls varsity Swim Team placed third in M.H.A.L. south division for the 1978 season. The team was aided by the addition of freshmen Ann Hall, Jamie Howell and Helen White; sophomores Marian McBride, Karen Hundt, and Mary Worthy and junior Sujean Sherbon. When these swimmers combined with returning lettermen Joan Barney, Cindy Bartmess, Amy Chadwick, Kris Craddock, Lisa Duus, Karen Eliason, Patti Fredrickson, Joan Howell and Dawn Neu, the team became a power house. At league finals Mt. Pleasant went home with first, second and third in Varsity Diving and third and fifth in frosh/soph Diving. Marcia McBride, Audrey Trapanese and Angel Priebe took home the first, second and third respectively while Marian McBride and Ann Hall took the third and fifth. The swimmers added their touch when Kris Craddock took a first in the 50 Backstroke and a second in the 50 Butterfly; and Helen White took a first in the 50 Breaststroke and a second in the 100 Breaststroke. The team ended the year with a bang, when Kris Craddock took a fourth in CCS in the 50 Backstroke. This made the first time in four years that Mt. Pleasant scored points a CCS.

# Varsity Tennis

**BACK ROW:** Ricardo Hernandez, Roger Perkins, Landon Nishimura, Leland Lowe, Robert Kaeo, Vic Lara, Ray Jacolik. **FRONT ROW:** Thung Nguyen, Ken Cavilli, Steve Burton, Eldred Felias, John Duus.

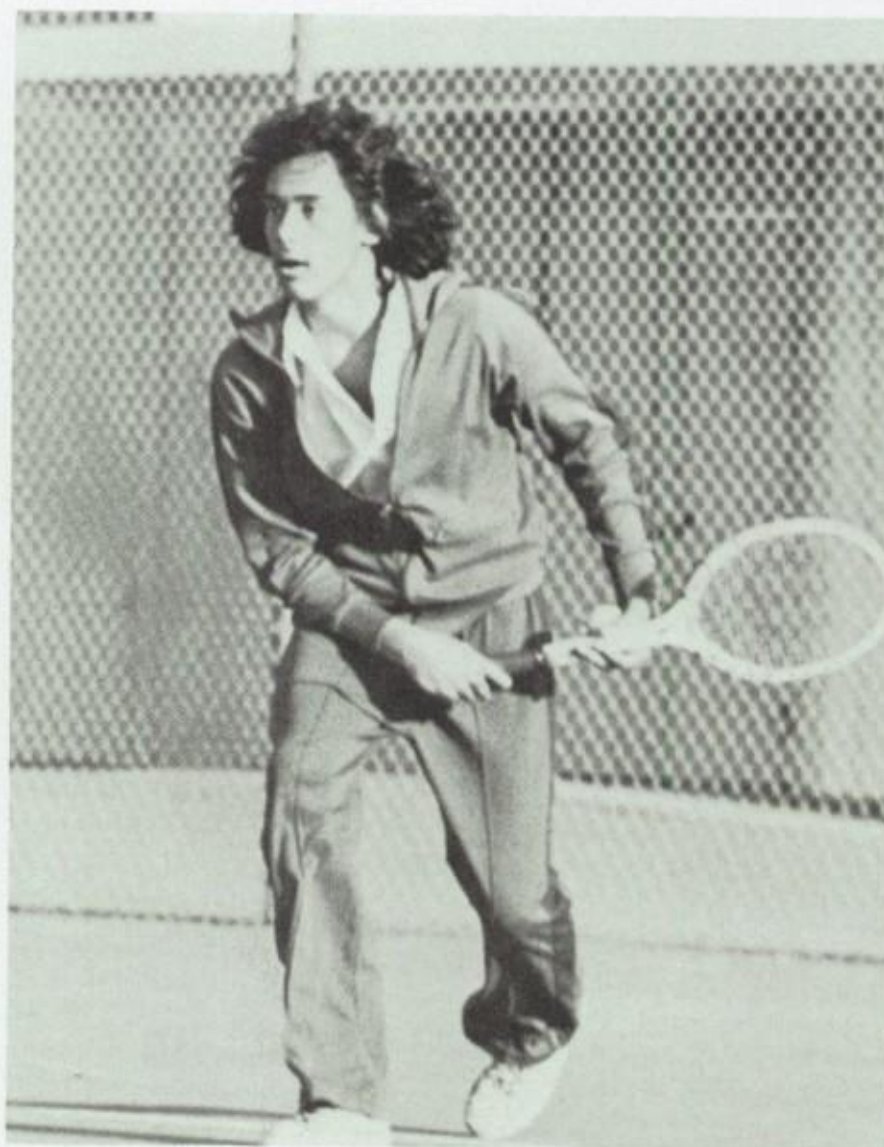

This year's Cardinal "gut squad" was led by the superior play of its senior members. Seniors Ray Jacolik, Vic Lara, and Roger Kaeo, provided the leadership and excellent singles play, but it was the fine play of the underclassmen that proved to be the crucial factors in this year's success.

Playing No. 1 singles again this year for the Cards was the M.H.A.L.'s leading singles player Landon Nishimura, and backing him up was freshman standout Steve Burton. Steve's excellent play gave Cardinal followers optimism for the coming seasons.

Despite the fact that this year's team had only two seniors, and three returning singles players, this season will have to rank as one of Mt. Pleasant's most successful ever.

This year's Southern Division Championship team, which had a 12-0 regular season record, was a total collective effort, and was highlighted by the excellent play of first year players: Susan Ellis, Janet Nagashima, Cathy Mexicano, and Jean Adam.

The crucial depth, that is so necessary in a Championship drive, was provided by the undefeated number one doubles team of Kelley Bailey and Kathleen Hernandez. Our first four singles players, which accumulated a combined league record of 38-1, were led by Julie Burton. Julie not only led our singles players, but those of the league as well by capturing the M.H.A.L. Singles Championship, and accumulating a 15-0 record in the process. Valerie DeFiesta, Lori Mack, and Jocelyn Daysog rounded out the second, third, and fourth singles positions respectively.

The play and leadership provided by Senior Co-Captains Valerie DeFiesta and Jocelyn Daysog were also essential factors in the Cardinal's Championship season.

The 1979 Varsity Baseball team is going to be a mixture of many young ball players joining a small group of excellent veterans from last year's club. The returning players from last year's team include six seniors; Ronnie Gamino, shortstop; Rudy Silva, second base; Ray Jones, first base; Ben Law, Rene Martinez, and Sal Garcia, outfield and one junior, Ken Boyer, catcher.

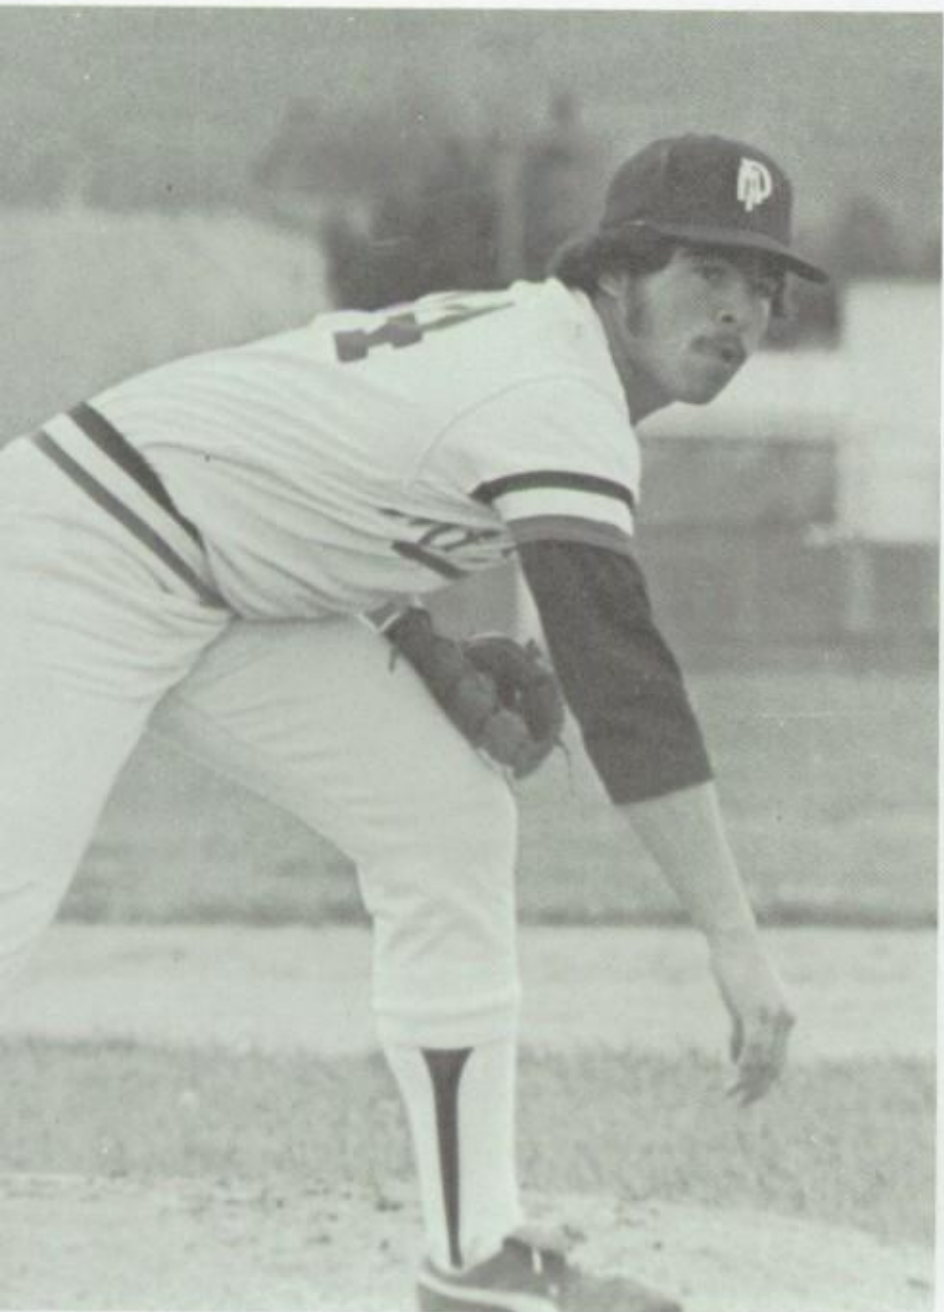

Several fine players from last year's Frosh-Soph team include juniors Randy Rocha, Robert Garcia, both play third base and pitch and Earl Bernaldez, short stop. The sophomores are Fred Puentez, first base and shortstop, Jim LeMasters, pitcher and outfield, and Robbie Espinoza, second base.

Transfer Stanley Porter, a junior, is a good prospect at pitcher.

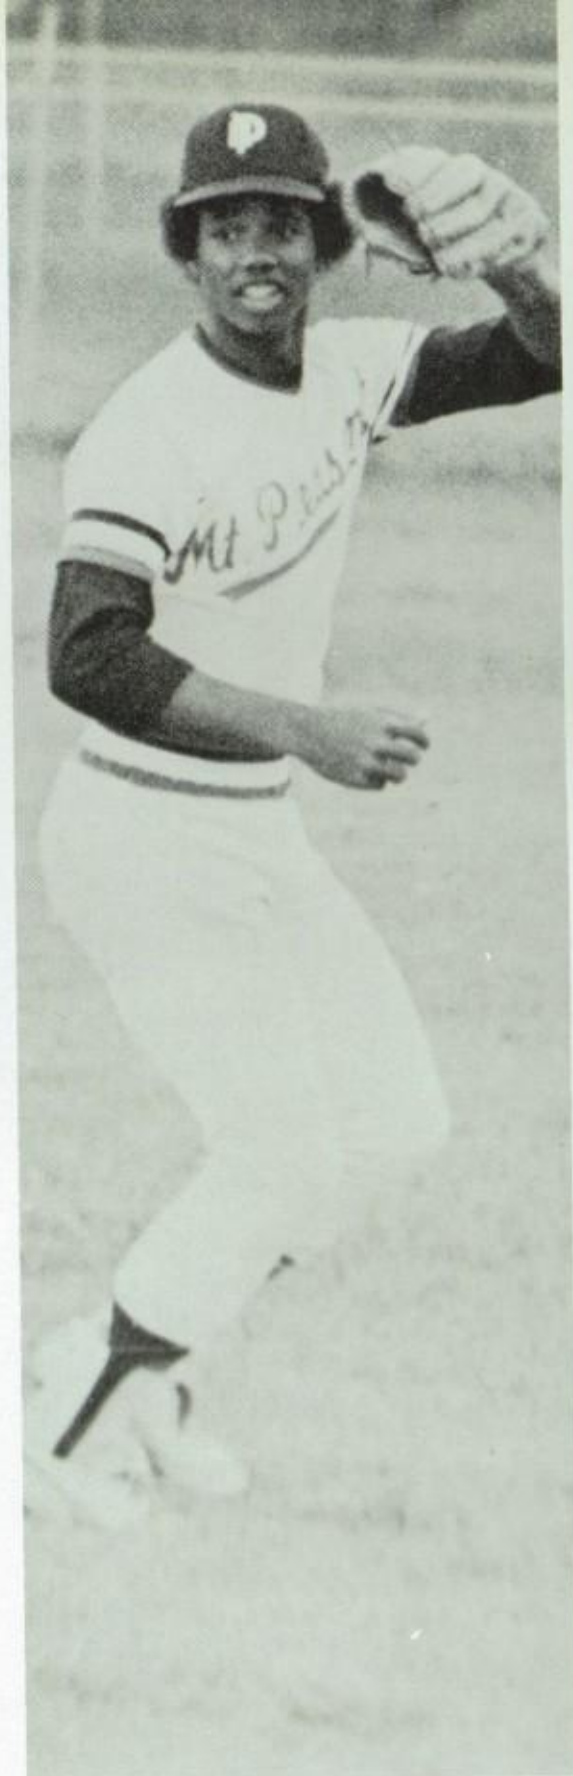

There are several outstanding freshmen that should also contribute well including Ken Williams, an outfielder.

This is an enthusiastic and hard working team who is looking forward to a challenging and successful season.

Mt. Pleasant's baseball program started a new look under the direction of Coach John McMillen, who came up from the frosh-soph to replace the retired Hal Gettman.

Although it was a rebuilding year with many underclassmen donning varsity uniforms, many successes were enjoyed throughout the season.

A fired-up and dedicated group of seniors which included captain Sal Garcia, Ronnie Gamino, Ray Jones, Ben Law, Rene Martinez, and Rudy Silva provided leadership and direction for a very talented array of juniors, sophomores and freshmen.

Junior Ken Boyer proved to be one of the better catchers in the league and fellow classmates Earl Bernaldes, Robert Garcia and Randy Rocha, sophomores Robbie Espinoza, James LeMasters and Fred Puentes, along with freshmen Eugene (Penny) Gibson and Kenny Williams accounted for many exciting plays during 1979 and gave reason to believe that Mt. Pleasant would be a strong title contender in the years to come.

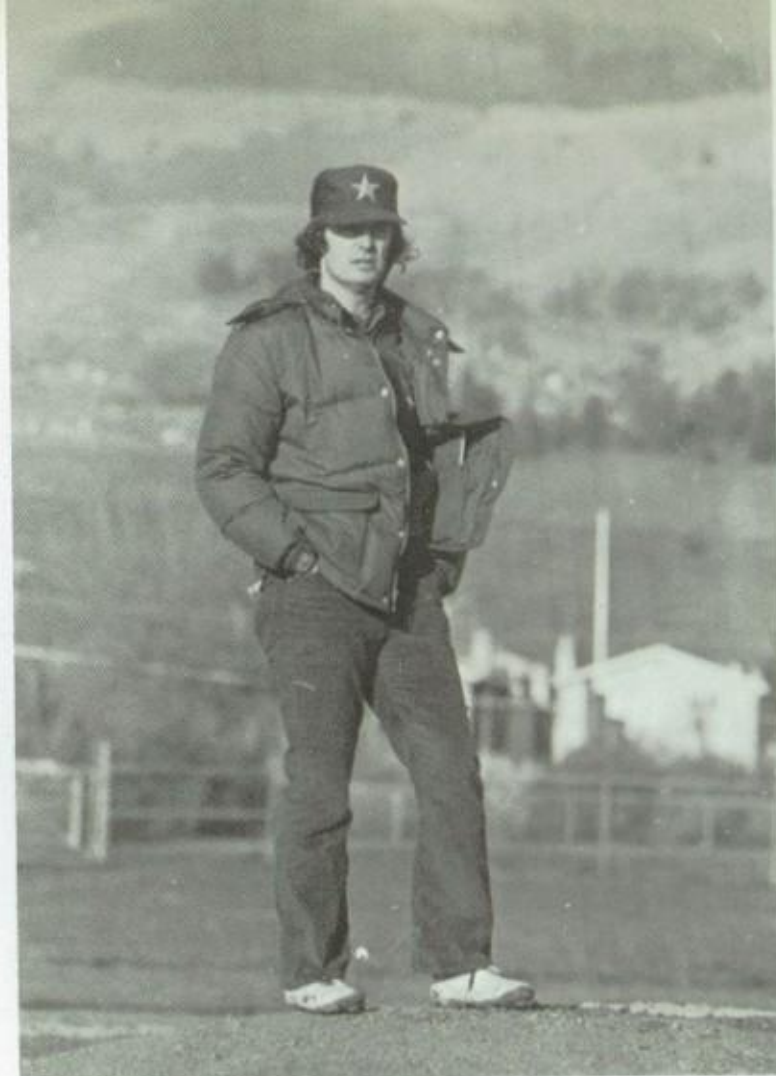

# Frosh-Soph Baseball

The Frosh-Soph baseball team is made up of many talented players. Coach Jordon has worked hard to make this an excellent season.

Some of the outstanding players are Rene Ramirez and Anthony Patino who both play pitcher and shortstop. Tommy Portillo plays pitcher and 2nd base. Tommy Guzman plays 2nd while John Souza as outfielder. Ed Smith on 1st and Greg Poppin on third.

All players contributed their talent to make a good 1979 baseball season.

# Varsity Track

This year's 1979 Cardinal Track Team figures to be a very strong team. Not only was the Varsity CCS Champs, but the F/S team was also. Playing singles for the Cards are Chris Martinez, Norene Raub, and Julie Burton. The depth in doubles will determine just how successful we will be this year. There are many girls on the team with an abundance of enthusiasm and talent. Here's wishing them luck in '79.

# Whatever Your Gift

What is that you hold in your hand?  
Nothing, you say? Look again.  
Every hand holds some special gift —  
A hammer, a broom, a pen,  
A hoe, a scalpel, an artist's brush,  
A needle, a microscope,  
A violin's bow, a way with words  
In the giving of faith and hope.  
What is that you hold in your hand?  
Whatever your gift may be,  
It can open your door to abundant life —  
You hold in your hand the key.

The longer we work as a class, the more my heart dwells upon the friendship and wonder of the Class of '79!

We have enjoyed the sounds of friendly voices and the feeling of unity. The spirit at rallies has been comforting as well as working tedious hours on spirit week, dances, food drives, and flower sales.

These activities as well as tardy bells, exams, report cards, and lunch lines will soon pass. However, we are not losing part of our identity, because we have grown from inexperienced freshmen into enthusiastic adults.

A special thanks to my fellow officers, and Mr. Concklin, Mr. Cordova, Mrs. Sweat, Mr. Rasmussen, Ms. Coggins, and the entire faculty.

It is hard to let go of today, even though it is quite worn out and thin, but I admit it is getting better, a little better all the time. Yes, I admit it is getting better since we've been the Class Of '79!

May all your dreams come true as we begin the long and winding road of life.

# Dare to Be Happy

Dare to be happy — don't shy away,  
Reach out and capture the joy of Today!

Life is for living! Give it a try;  
Open your heart to that sun in the sky.

Dare to be loving, and trusting, and true;  
Treasure the hours with those dear to you.

Dare to be kind — it's more fun that you know;  
Give joy to others, and watch your own grow.

Dare to admit all your blessings, and then  
Every day count them all over again.

Dare to be happy, don't be afraid —  
This is the day which the Lord hath made!
